

16 STINKIN' YEARS!

Stinkfest 2017

WE NEED YOUR HELP!!!!

Every year, the East Bradford Business Association donates proceeds from the years Stinkfest to a local organization. This year, the East Bradford Business Association has decided to donate to *several* local charities! Donations by Stinkfest will be in the form of purchasing product to go to each charity. In the past, the East Bradford Business Association has supported the McKean County Special Olympics, Camp JJ, Big Brothers Big Sisters, and many other local organizations that give back to our community. What better way to celebrate 16 years than giving back to our community in a ***BIG*** way, but we cannot do it without your help! In addition to supporting a great cause, your name/ business will be listed on our sponsor board. Thank you all for your continued support, we couldn't do it without you!!!

Donations can be made to:
